How to make

THE MOST OF YOUR WEEKEND

Here are a few tips to ensure you get the most out of your time with us:

Fill Out All Forms

Your waiver and participant form must be signed to attend. Your Tim's participant form is where you will share any dietary preferences or accessibility needs. Please complete these ASAP.

Arrive with an Open Heart and Mind

Approach the weekend with a sense of curiosity and openness. Whether it's your first wellness retreat or your tenth, allow yourself to be present and explore without judgment or expectation.

Check-In on Time

Please arrive during check-in times listed in this package. This allows you to get settled, familiarize yourself with the venue, and ask any questions before the weekend begins.

Pace Yourself

We've curated a balanced schedule, but it's important to listen to your body. If you need rest, take it. Allow yourself space to recharge so you can be fully present in the activities.

Engage with Your Community

Part of the magic of wellness weekends is the connection you make with others. Whether it's sharing a meal or chatting between sessions, build community and support each other's journeys.

Be Present

Take time to appreciate the beauty around you. Whether you're in nature or in a group session, truly immerse yourself in the experience.
